The Group is principally engaged in the provision of LED lighting fixtures and integrated LED lighting solutions to our end-users which are luxury renowned brands mainly based in Asia. During the nine months ended 31 December 2017, we have entered into the market in the PRC and generated sales in the PRC which represented approximately 41.6% of our total revenue. Simultaneously, our revenue from sales of LED lighting fixtures has increased by HK\$11.9 million or 36.6% for the nine months ended 31 December 2017, compared to the revenue of HK\$32.5 million for the nine months ended 31 December 2016.

During the period, we have been awarded 589 LED lighting projects and completed 596 LED lighting projects.

The Company has successfully listed its shares on the GEM of the Stock Exchange on 25 January 2018 by way of Share Offer.

### **FINANCIAL REVIEW**

#### **Revenue**

Our revenue slightly increased by approximately HK\$3.6 million or 8.3%, from HK\$43.4 million for the nine months ended 31 December 2016 to HK\$47.0 million for the nine months ended 31 December 2017, primary due to the sales of LED lighting fixtures for the nine months ended 31 December 2017 in the PRC upon the commencement of business of the PRC subsidiary, Shenzhen CH Alliance Trading Co. Ltd at the end of 2016.

#### **Direct Costs and Gross Profit**

Our direct costs comprise of components, staff costs and subcontracting fee and labour costs. The direct costs increased by approximately HK\$5.6 million or 32.6%, from HK\$17.2 million for the nine months ended 31 December 2016 to HK\$22.8 million for the nine months ended 31 December 2017. The increase in direct costs was directly related to the increase in revenue generated.

Our gross profit decreased by HK\$2.0 million for the nine months ended 31 December 2016 to HK\$24.2 million for the nine months ended 31 December 2017, and the gross profit margin decreased from 60.3% for the nine months ended 31 December 2016 to 51.5% for the nine months ended 31 December 2017. Upon commencement of business in the PRC in December 2016, our gross profit margin decreased as a result of our sales made in PRC being subject to value-added tax of 17% on the sales amount.

## **Administrative Expenses**

Our administrative expenses mainly comprise of salaries and allowance expense, accounting for 64.6% and 60.3% for the nine months ended 2016 and 2017, respectively. The administrative expenses increased by approximately HK\$3.5 million or 35.0%, from HK\$10.0 million for the nine months ended 31 December 2016 to HK\$13.5 million for the nine months ended 31 December 2017. The increase in administrative expenses was primarily due to the increase in headcount and monthly salary of our employees on average for the nine months ended 31 December 2017, and rent of an extra premise for use as an office.

## **Profit for the period**

The Group recorded a profit of approximately HK\$1.2 million attributable to owners of the Company for the nine months ended 31 December 2017. Compared to the profit of approximately HK\$11.5 million for the nine months ended 31 December 2016, profit attributable to owners of the Company decreased by HK\$10.3 million, primarily due to the increase in one-off listing expenses of HK\$5.6 million, and increase in administrative expense of HK\$3.5 million.

If the listing expenses were excluded, the Group's net profit would be approximately HK\$8.7 million for the nine months ended 31 December 2017.

## **Dividend**

The Board does not recommend a payment of an interim dividend for the nine months ended 31 December 2017 (nine months ended 31 December 2016: Nil).

## **OUTLOOK**

The demand for LED lighting fixtures is directly driven by the number of shops of our end-user luxury brands. With growing affluence of residents in PRC, the number of renowned luxury brands increasing their exposure in the PRC has been growing, which provides us with a valuable opportunity to explore new business opportunities and to penetrate the PRC market.

Our goal is to be one of the leading LED lighting solutions providers in Hong Kong. The Shares were successfully listed on the GEM of the Stock Exchange on 25 January 2018. The net proceeds from the Share Offer enables us to have sufficient financial resources to meet and achieve the abovementioned goals. The Directors are optimistic that the Group will continue to increase its market share after the listing of the Company's shares on GEM and believe that the said opportunity will benefit the Group's business.
